## SCOPE OF WORK

### **1. Category A: New Construction, Remodels, and Large-Project FF&E**

- Supply and install furnishings for entire facilities with student furniture, office furniture, makerspaces, cafeteria/dining, lounge, reception, and commons space furniture
- Assign a dedicated representative to each District for sales support and project management
- Customer Service Representative(s) shall be available by either phone or email from 8 AM to 5 PM, Monday through Friday, Mountain Standard Time (MST)
- Agree to virtual or in-person meetings with District/DISTRICT personnel to conduct needs assessment(s) and develop design concepts
- Provide design renderings in both 2D and 3D as requested to demonstrate proposed layouts
- Design and layout services are to be included in the project service and may not be billed separately
- Provide full white-glove installation service with furniture assembly and placement as per agreed upon layouts with on-site supervision of install crew, removal of dunnage, cleaning of space and punch list walk-through
- Provide detailed sheets for each classroom and/or space in a binder and taped to each classroom/space doorway with a listing of furniture pieces to be installed and their quantities to facilitate ease of receiving

- Shipping shall be FOB prepaid destination with all transportation and handling charges paid for by the Contractor
- Provide accurate shipping and install timelines and provide regular updates with delivery status reports
- Provide local storage options for purchased furniture until date of installation, if needed
- Agree to monthly in-person or virtual meetings with general contractors and other stakeholders on new construction/rebuild projects
- Offeror shall be responsible for ordering and installing missing, damaged, or incorrect items upon discovery by District personnel in a timely manner
- Properly clean and ready the site for occupation and use after installation
- Fully assemble installed products to be ready for use in the timeframe agreed upon by the District and/or DISTRICT
- The offeror shall be responsible for ordering errors resulting from orders based on the design work completed by the offeror. Approval of design work by the District/School does not constitute responsibility for the offeror's ordering process
- If the offeror is found to have designed and specified a new furniture installation which does not fit properly or is too large to fit through doorways, it shall be the offeror's responsibility (financially and logistically) to resolve the matter to the District's/School's satisfaction. No payment shall be made until the issue is fully resolved and approved by the District/School. It is the offeror's responsibility to ensure that floorplans are accurate by communicating with the Architectural Firm assigned to the project
- The offeror shall provide an installation plan showing in detail, the position of all new furniture products, wall heights, colors, types of panels, and voice/data outlets
- The offeror shall be responsible for all plans and their review for correct product application and stability
- The Offeror is responsible to notify the District/School immediately of any deviations or inconsistencies with product capabilities, including unusual assembly requirements
- The Offeror is responsible for accurately specifying all necessary products including parts, components, connectors, fillers, trim pieces, and other items in the plan and on the component list. If parts are missing at assembly time, the Offeror is responsible for quick shipment (within the agreed upon timeframe) of the missing parts
