

May 22, 2017

Dear Jeppsen's Distributing Company,

Ogden School District is entering the Second of a Five Year contract for our Dairy services. We have been very pleased with the product, service, and contract this first year. All issues, and there were few at that, were handled quickly and amicably. We would like to renew for our contract for School Year 2017 – 18.

Sincerely,

A handwritten signature in black ink, appearing to read "Ken Crawford", is written over the printed name.

Ken Crawford
Support Services Director
