

Addendum #1 for RFP9-021 2019 Trash Removal

For RFP9-021 2019 Under the dumpster heading it lists, for example, Bonneville Elementary 1 -8 X 5. This does mean an 8 yd. dumpster dumped 5 times per week. With that there are two locations that need corrected at Ogden High it said 2- 4 x 6 & 1-4 x 8 it should say 2- 6 x 5 & 1- 8 x 5, meaning 2- 6 yd. dumpsters and 1- 8 yd. dumpster 5 times per week. Also at Ogden High it said Two-day pick up 1 -3 x 5 it should say 1- 3 x 2. The other location is Borgstrum Building it says On - Call 1- 4 x 5. It should say On - Call 1 - 4 yd. We do want listed the per day / per dump price for each location for the bid amount.

Sorry for the confusion and hopefully this clarifies things.

Thank you.
