

Amendment to Ogden School District's Fresh Fruit & Vegetable Education Program #RFP5-001

As of October 1, 2017, the contract entitled Fresh Fruit & Vegetable Education Program #RFP5-001 between Ogden School District and A&Z Produce will be changed as follows:

"Ogden School District, receiving Federal funding through the National School Lunch Program must ensure the following provisions are agreed upon and met.

- 1) Food Recall Provision – Procedures, vendor contact information, and vendor back up contact information must be provided.
- 2) Ogden School District assures positive efforts will be made to involve minority and small business.
- 3) We follow the following federal procurement sections 2 CFR 200 Appendix II, 7 CFR 210.21 (d), and 7 CFR 210.21 (f) which include; the "Buy American" provision, where all food purchased will be US grown and/or processed excepting when cost is prohibitive; the District adheres to the Federal provisions dealing with Equal Employment Opportunity, Clean Air, Debarment Lists, etc.; and costs billed to the District will be allowable costs and will include all discounts and rebates to the District."

These additions are the only changes to the original contract. The remainder of the original contract remains in full force.

Signed and Agreed:
