Subject: Ogden School District FFVP RFP results

Hello Ryan and Murray,

Thank you both for your bid proposals for Ogden School District's FFVP program. A committee was formed and the individual committee members went over the criteria independently of each other. All committee members' scoring results were the same. A&Z Produce is the winner of the RFP for Ogden School District based on the Evaluation Criteria section of the bid.

If you have any questions at all, please do not hesitate to call. Thank you both for your bids and it will be a pleasure working with both of you in the future, A&Z for our FFVP needs and Muir Copper Canyon for our DoD Produce.

Laura Decker, Secretary Child Nutrition Program
