RFP 8-012

Offeror Name: _____

Please complete **all** fields below. **Any deviation from this format may result in disqualification of your proposal. The total cost points available is 30 points. The cost points are divided into the categories below.**

1. Vehicle Selection, Acquisition and Replacement Services and Vehicle Financing Services:

Complete Attachment B worksheet tabs A1 through A13.
The points will be awarded to each offeror as described in Attachment B on the Point Calculator Tab. There are a possible 20 points available in this category.

2. Vehicle Remarketing (Surplus):

Total cost to surplus a vehicle owned/leased by Ogden School District under the proposed solution: \$_____/per vehicle.
The lowest cost points for this category is 5 points. All other Offerors will receive a portion of the total cost points based on what percentage higher their total cost is than the total lowest cost. An Offeror whose total cost is more than double (200%) the Lowest Proposed Price will receive no points. The formula to compute the points is: Cost Points x (2- Proposed Price/Lowest Proposed Price).

3. Vehicle Maintenance and Repair Services:

Complete Attachment C. The prices list must be quoted from vendors currently in your firm's network. Attachment C identifies how points will be distributed for this line item. There is a total of 5 points possible for this category.

Only the costs listed above will be included in the calculation of each Offeror's Proposed Price and used in the evaluation of cost points. The above should reflect all costs of providing a solution meeting the mandatory requirements of this RFP.

Costs listed below are subject to inclusion in the contract resulting from this RFP and should be entered in the spaces provided, but they will not be included in the Proposed Price and will not be used in the evaluation of cost points.
