8.27 STUDENTS WITH DIABETES

- 8.27.1 It is the policy of the Board of Education of Ogden City School District that a safe learning environment and access to all other nonacademic school-sponsored activities will be provided for students with diabetes.

Legal Ref.:

Section 504 of the Rehabilitation Act of 1973

Approved by the Board of Education, June 28, 2006

PROCEDURE:

- 1) All students with diabetes shall have an individual health plan that is authorized by a licensed physician. The school nurse will consult and coordinate with the school, parents and the physician in the development of the individual health plan. In addition, the school nurse will train and supervise the appropriate staff in the care of students with diabetes.
- 2) The district or its employees acting in good faith and in compliance with the student's individual health plan shall not be liable in any criminal action or for civil damages.
